Dear Judge Bianco:

LONG ISLAND OFFICE

To date, I have sent approximately 12 letters in the last 2 years to the US Attorney's Office to get a copy of the stipulation you entered for the Mexico Diamonds appraisal. I received six of them back as "Return to Sender." I have not received a response to any of them.

During the course of time, I requested my former attorney (and attorney generally) to be removed from my case. I have not heard from him in a long time. I have written him several times of excuses and "I forgot but I am very busy" and "I am the only one who can help you."

His apparent behavior has multiple implications from his own lack of interest to his exhaustion of his own time, and nothing to help me.

Can you please arrange for the stipulation to be sent to me, so I can receive this 2-year-old court-ordered document?

I remain, respectfully yours,

Paul Kamm
